

SHABEL & DENITTIS, PC

CLASS ACTIONS & CATASTROPHIC PERSONAL INJURY

Shabel & DeNittis, PC is a premier firm in New Jersey and Pennsylvania for matters ranging from high-profile national class actions to catastrophic personal injury cases.

Throughout the years, the firm has achieved precedent-setting results for its clients, including landmark decisions on previously untried issues. Attorneys at the firm, who have more than 70 years of combined experience, have helped Shabel & DeNittis earn a nationwide reputation for taking on big companies that put corporate profits ahead of consumers' health and well-being.

"Our philosophy is that we can maximize results for our clients by accepting a limited number of cases and thoroughly preparing every case for trial," says partner Stephen P. DeNittis. "That way, we are never forced to settle."

In the past 10 years alone the firm has recovered more than \$70 million for consumers. Some of its most notable cases include a \$43.5 million recovery for more than 22,000 Merrill Lynch brokers over alleged wage and hour violations; a \$9 million settlement to reimburse the more than 170,000 consumers who purchased alleged bogus coins sold to commemorate the 9/11 tragedy; and a \$7 million recovery for an injured worker in a slip and fall case—the largest slip and fall recovery in New Jersey.

Given these significant results, the firm's attorneys have received a great deal of recognition for their excellence in the profession. They have been named South Jersey's Top Attorneys by *SJ Magazine* and *South Jersey Magazine* in the areas of products liability, personal injury, and class actions. Members of the firm have also been recognized in New Jersey Super Lawyers since 2006 and have been AV[®] Preeminent[™] rated by Martindale-Hubbell[®].
